HOOCHIE WOMAN

Words & Music by Joe Chinnici, BMI

*With stiletto heels
And a walk that's dynamite
She wears short skirts
And her sweater's are oh so tight
With just a wink
She can make best friends fight*

Chorus

*She's a hoochie woman
And she knows just what to do
She's a hoochie woman
With her nylons and perfume
The girls don't like her
But you know the guys sure do*

*Now traffic stops
Whenever she walks through town
She's got long legs that go
All the way to the ground
The guys go crazy
Every time she comes around*

Chorus

*All the guys in town
Think they can catch her eye
And the gifts they give
Are the best that money can buy
You know she'll stay with them
'til their wallets all go dry*

Chorus
